You

●●●○○ Sketch 📶 9:41 AM 100% 🔋

Tip

Go to **www.snappthis.com** on your computer to make it easier to invite a list of people.

Log in, go to your group (Invite members) and cut-and-paste all email addresses from a text file into the invitation text field.

You can add all email addresses at once, seperated by a comma. Handy!

Got it!
